

## Vice President for Development

The St. Louis based **Consortium for Graduate Study in Management**, an alliance of leading business schools and nationally prominent corporations, is pleased to announce an exceptional opportunity to join the cabinet of this dynamic organization. Working closely with the Executive Director and collaborating with the Vice President for Program Administration, the new **Vice President for Development** will manage all fundraising functions of the organization, with special attention to major and planned gifts, annual fund, foundation relations, and special projects.

The Consortium for Graduate Study in Management is the country's preeminent organization for promoting diversity and inclusion in American business. In conjunction with 13 member schools, sponsoring companies, and an elite group of MBA students and alumni, The Consortium has built a forty-year legacy of changing the ethnic and cultural face of American business. Providing over 350 fellowships annually funded by top American businesses and affiliated universities, The Consortium has graduated over 5,000 alumni to date. To learn more, please visit The Consortium's website at [www.cgsn.org](http://www.cgsn.org).

**Qualifications:** The winning candidate will be a dynamic and energetic development generalist with the ability to passionately articulate the case for the Consortium for Graduate Study in Management. A history of success in development in higher education or an education-related non-profit will be preferred. The Consortium seeks an entrepreneurial self-starter who can work as a key team member and also carry forward projects independently. A Bachelor's degree is required.

**Environment:** Three million residents in the greater St. Louis area enjoy affordable living in urban, suburban and rural settings, and excellent educational options at all levels. Recreational and cultural opportunities abound, including a vast array of parks, museums, golf courses and tennis clubs, zoos and botanical gardens, theatrical, music and dance venues, and professional and semi-pro athletics. The rich heritage of the area, from the pre-Columbian Mound Builder cultures to the city's early history as "The Gateway to the West," to its current status as a center of business, culture and education, gives St. Louis its unique and vibrant identity. The heart of the Midwest, St. Louis is considered one of the 10 most livable cities in the U.S.
